

DD FORM 214 -- SOCIAL SECURITY BENEFIT

Good information for all Veterans who served on Active Duty between 1957 and 2001!

DD FORM 214 -- SOCIAL SECURITY BENEFIT

Please share this with anyone who's had **active duty service between January 1957 to December 31, 2001** and planning for retirement.

In a nutshell it boils down to this:

You qualify for a higher social security payment because of your Military service, for active duty any time from 1957 through 2001 (*the program was done away with 1 January 2002*).

Up to \$1200 per year of earnings credit credited at time of application - which can make a substantial difference in social security monthly payments upon your retirement.

You must bring your DD-214 to the Social Security Office and you must ask for this benefit to receive it!

This is something to put in your files for when you apply for Social Security down the road..

It is NOT just for retirees, BUT anyone who has served on active duty between January 1957 to December 31, 2001.

FYI - this benefit is not automatic, you must ask for it!

We've all been on active duty between 1957 and 2001 or know someone who has.

Passing on good information for all you military folks when you apply for social security. I know this may be too early for some of you to think about social security but, keep living and you will reach that age.
